ANNOUNCEMENT

The St. Joseph Junior Foundation (www.SJJF.org) announces that Petra Dietz has joined their organization as Executive Director to further develop their expanding sailing school program. Petra not only brings a wealth of sailing experience, but 31 years of teaching physical education including coaching competitive swimming and adventure trip leadership.

Petra Dietz

The Board of Directors are delighted to welcome Petra into our community and the SJJF. Her experience in physical education with 5th graders through the collegiate level puts her in a unique position to further build excellence into the sailing programs.

Petra will support the youth and adult sailing school programs. Sailing school campuses include both the St. Joseph, Michigan location (next to the St. Joseph River Yacht Club) and Paw Paw Lake in partnership with the Paw Paw Lake Yacht Club (PPLYC).
